The African American Experience - Colonial Williamsburg

The uninterrupted history of blacks in the United States began in 1619, when 20 Africans were landed in the English colony of Virginia. These individuals were not slaves but indentured servants—persons bound to an employer for a limited number of years—as were many of the settlers of European descent (whites).

African Americans | History & Culture | Britannica

Woodson was the second black American to receive a PhD in history from Harvard—following W.E.B. Du Bois by a few years. To Woodson, the black experience was too important simply to be left to a small group of academics. Woodson believed that his role was to use black history and culture as a weapon in the struggle for racial uplift.
