### Competency Based Recruitment Selection A

Competency-based recruitment is a process of recruitment based on the ability of candidates to produce anecdotes about their professional experience which can be used as evidence that the candidate has a given competency. Candidates demonstrate competencies on the application form, and then in the interview, which in this case is known as a competency-based interview. The process of competency-based recruitment is intended to be fairer than other recruitment processes by clearly laying down the

### Competency-based recruitment - Wikipedia

### Competency Based Recruitment and Selection

The competency-based recruitment & selection workshop aims to provide participants with a framework within which they will be able to define and express competency requirements, attract people who meet those requirements and then select the candidates who are most competent. Presented by Derek hendrikz Consulting.

### Competency-based Recruitment & Selection

You'll often come across competency-based selection methods in the recruitment process. These operate on the premise that past behaviour is a good basis for predicting future behaviour, and take the form of competency-based questions that are asked verbally during the interview, or during a written competency-based selection test.

### Competency-Based Interviews & Selection Tests

Competency-based selection (also known as behavioral selection) is a well-known selection method about which many books have been written, and many training courses delivered. Despite this, in my conversations with other in-house recruitment teams, it has surprised me how few companies apply the technique as part of their recruitment methodology.

### Why Competency-based Selection Should Be in Your Toolkit

The hiring decision assesses three components: knowledge, skills and competencies. Recruiting & Sourcing Candidates must possess professional knowledge and institutional knowledge to perform on the job, and they must have the functional and technical skills required of the role.
