Learning to Program: 9780789753397: Computer Science Books ...

There has been a lot of excitement lately about learning to code. As a part of "Hour of Code", Khan academy, code.org, and codecademy all have tutorials that help you code up some sort of app within an hour. I love the excitement and the push to make programming more accessible to more people, because it certainly didn't feel accessible to me when I was teaching myself to program.

Learning to Program | InformIT

Learning to program can be a discouraging, lonely, frustrating process, especially if you are trying to learn on your own. I went through that painful experience and don't wish it on anyone else. I wrote Learning to Program to be the book I wish I had when I was learning to program myself.
