Peter Pan Must Die A

"Peter Pan Must Die" is a hot mess of a book, well below expectations for this otherwise fine series by John Verdon. Mediocre writing, wooden dialogue, a lead character that

spends about 400 pages going against his own investigatory principles, a secondary character reduced to a cartoon figure, and a silly ending combine to make the 4th book in the series a big disappointment.

The Lost Boys is a band of boys who were lost by their parents after they "fall out of their perambulators" and came to live in Neverland. In Barrie's novel Peter and Wendy (but not the original play Peter Pan), it is stated that Peter "thins them out" when they start to grow up. This is never fully explained, but it is implied that he either kills them or banishes them.
